Mr. Robert J. "Dick" Bruce
RFD #2
Freeport, Ill. 61032

Dear Mr. Bruce,

Thanks for your letter of the 19th and its enclosures.

I was asleep when you phoned because I'm 76 and in impaired health. That is why she did not wake me.

I hope you'll understand that I can't engage in chitchat correspondence.

Oswald in New Orleans is out of print. I didn't print it myself.

The Fensterwald book was never reprinted.

There were, in fact, a number of reports in Garrison's files about people seeing someone who looked like Oswald in that general area. I saw some.

I don't know what happened to Garrison's files. I suppose he took them with him when he left office.

Best wishes,

Harold
